

T & B Minutes
September 10, 2018 , 1:00 PM

Trees and plantings will be done on Somerset St. and elsewhere this fall.

Mums will be planted in front of the Watchung sign at Spratford Park for Fall.

Flowering vinca and stella d'oro lilies for Spring.

Plantings are needed on both sides of the entrance to Borough Hall.

Plant azaleas or mountain laurel in front of the fence by the gas station for next spring. Azaleas may attract deer.

Plant day lilies in front of Town Hall.

Trees will be planted on the rest of the islands, red maple, for a total of 8 trees.

The rescue squad island will have 5 trees plus dwarf bushes.

A cherry tree has to be planted by the gazebo on Mt. Blvd.

Trees will be funded by the tree bank.

Sidewalks:

The sidewalks to Bayberry and Best Lake have uprooted trees and broken pieces of asphalt. A request for repairs should be put in writing to the Borough.

Signs:

The signs entering the borough from Somerset St., Bonnie Burn Road, Stirling Road, and Mountain Blvd. should remain original to preserve their rustic look but mounted on a white background for better visibility.

Speak to Historical committee for their input.

Budget:

Out of the \$1,000 received this year \$757.44 is remaining. There was discussion that the committee may receive \$2,000 in January for 2019.

Important Information:

There is an emissions pipe near the split rail fence in the Best Lake parking lot that emits a gaseous odor and needs to be inspected. PSEG should be called.

Other topics:

The library grounds need maintenance and weeding.

Borough Hall doors need periodic cleaning.

Ask Linda Monetti for the corn stalks for the Fall Festival.

There is a Japanese maple tree by the dam at Best lake that needs to be revived!

New tree lights are needed for artificial Christmas trees at Borough Hall.

New Holiday wreaths for the doors may also be needed.

The railing at Watchung Lake near the waterfall and the circle needs to be repainted black.
